10.07.19) Future Club fixtures

A discussion took place on the guidance to be set for future fixtures: A mix of home and away matches on a Saturday. Aim for 5 triples or 4 full rinks. Avoid matches in July and August due to problems we have putting teams together; this issue is also reflected in the cancellation of matches by the teams that we were due to play. No more than 1 match per calendar month. Offer tea and biscuits as standard refreshment.

It was decided that there would be no change at the moment. But thank you for the suggestion

12.07.19) Club Open Day

The club open day was discussed with pointers for the future

The event had drawn some people in but only time will determine how successful it had been.

An interest had been expressed that the club forms closer links with the local community.

We need to check that our insurance would cover those links.

The following points were raised: Needed to be done earlier in the year. Publicity – leaflets need to be amended to reflect the diversity within the club. Social Media to be reviewed.

Need more meeters and greeters. Could it be attached to a social event. Need membership application forms to be available
